

Solitaire Dressage

Freestyle Design Clinic with Alison Kenward BHS II SM regd at your venue

- **Get ready to compete in Freestyle DTM competitions.**
- Attend this workshop and have a unique freestyle routine designed and choreographed for you .
- On the day ride your routine in a competition arena where it will be filmed ready for you to have the music matched.
- Take home a mini DV ready for the music producers to work on, a detailed floorplan and guidance about complying with PPL .

The session will take an hour and you will take home the recording to forward to my music producer or you own ready for music matching. If you choose to use my music producer you will be sent a sample cd to ride to and choose tracks from and then these will be used to create a music routine to match the choreography.

- £75 excluding arena hire
- Music production costs including cds £75
